Registration [https://14th-annual-advocate-trauma.eventbrite.com](https://14th-annual-advocate-trauma.eventbrite.com)
**Target Audience:** Emergency Medicine Physicians, Trauma Surgeons, Advance Practice Nurses, Pre-Hospital Personnel, ED, ICU and Trauma Nurses

**Learning Objectives** – At the completion of this activity the participant should be able to:
- Apply information about new developments in assessing, diagnosing, stabilizing and managing a variety of traumatic wounds to applicable treatment plans in clinical practice.
- Evaluate recent innovations in selfcare to maintain personal health, wellness and resiliency, prevent burn out and assess their use in applicable treatment plans in clinical practice.

**Format:** Lecture, Case-Based Discussion and Q&A

**Disclosure:** Acknowledgement of all disclosures, i.e., nothing to disclose or the existence of relevant financial relationships, will be made at the activity.

**Conflicts of interest will be identified and resolved prior to the activity.**

**Financial Support:** Acknowledgement of educational grants will be made at the activity.

**Accreditation Statement:** Advocate Health Care is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit Designation Statement:** Advocate Health Care designates this live activity for a maximum of 15.75 AMA PRA Category 1 credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nursing Accreditation and Credit Designation:** Continuing Medical Education (CME) as authorized by the Illinois Medical Practice Act is an approved sponsor for Illinois RN re-licensure. One (1) CME hour is equivalent to one (1) contact hour according to Part 1300 of the Illinois Nurse Practice Act, Section 1300.30. 15.75 contact hours will be awarded upon successful completion of the program. Criteria for successful completion for nurses: completion of the evaluation and attendance of the entire event.

**EMS:** An IDPH EMS CE site code has been applied for
